<u>00030000.</u>	<u>ANNUAL FINANCIAL FILINGS BY INSURERS - DOMESTIC</u>	<u>EVT+8</u>	<u>SHSW</u>	<u>N</u>
------------------	--	--------------	-------------	----------

Insurance company annual statement printed forms approved by the National Association of Insurance Commissioners (NAIC) or this agency for use by insurance companies (other than Town Mutuals) doing business in the state of Wisconsin. The statements detail information to elicit a true and complete exhibit of the financial condition and the character and methods of each company or society. They include such items as assets and liabilities, capital and surplus, claim reserves, gain and loss, dividends expensed, investments and solvency. The statement folder may also contain approved NAIC supplemental forms to the annual statement, or equivalent. These filings are required pursuant to Wis. Stat. § 601.42, and Wis. Admin. Code ch. Adm 7. Also includes financial audit reports of insurers licensed to do business in Wisconsin filed annually in compliance with Wis. Stat. §§ 601.42, 601.43, and Wis. Admin. Code ch. Adm 50. Includes letter granting exemption from compliance with the rule if applicable, correspondence regarding certified public accounting (CPA) firm, CPA audited financial report(s) and interim reports, if filed.

Department Name:

FINANCIAL ANALYSIS AND EXAMINATIONS

RDA #	RDA Title	Retention	Disposition	PII
-------	-----------	-----------	-------------	-----

canceled checks; paid invoice files; agent and agency contract files; and general ledgers and journals.

*Pre-liquidation correspondence including: relations with state insurance departments in those states where the company was authorized to transact business; correspondence files maintained by the chief executive officer and administrator; and correspondence with rating bureaus and suppliers.

*Pre-liquidation reinsurance treaties or contracts ceded or assumed, except those involving claims. Includes correspondence with reinsurers and reports or analysis of reinsurance coverage of the company.

*Records regarding investments made by the company prior to liquidation, including bank reports and bank records, reports of bonds and stocks, brokerage house reports and listings of securities.

*Pre-liquidation company accounting tax records retained per ch. 645, Wis. Stats.

General Records of Company Under Liquidation:

*Underwriting information, decisions and sample policy forms pertaining to special risks or programs; records of rate service organizations and statistical background information used by the insurer.

*Subject files, including company projects, lines of insurance, detailed coverage statistics, etc.

*Company accounts receivable due during the liquidation, including actions involving contracts, assessments, accounting data, correspondence and legal documents regarding debts, moneys due and claims belonging to the insurer.

*Financial records accumulated during the liquidation, compiled of books, general ledger journals, list of insurer's assets, assessments records, paid invoice files, payroll records, canceled checks, tax records and other financial records of the receiver.

*Company claim files includes claim files of whatever nature against the company prior to liquidation as well as during the liquidation as such are received from ancillary receivers or security or guaranty funds; proofs of files of whatever nature against the company maintained by the liquidator including, but not limited to, insurance claims, reinsurance claims, special claims, third party claims, disputed claims, claims of surety and secured creditor's claims; reinsurance treaties or contracts needed to settle claims. Files may include, among other documentation, correspondence regarding the claim, copy of the letter(s) of determination, and copies of dividend distribution checks.

*Corporate records; meeting minutes of the Board of Directors; corporate scrapbooks; staff meeting minutes of the company; corporate policy statements and operating procedures, manuals and instructions.

Records of Liquidator:

*Liquidator's final statistical reports, including computer listings, microfilm, or microfiche which indicate the disposition of each claim in liquidation, dividends paid on each claim, and canceled dividend payment checks.

*Letters and memoranda between Special Deputy and the Office of the Commissioner of Insurance, including: records evidencing notice of liquidation or dissolution sent to creditors, insurance commissioners, policyholders, agents and potential claimants; claimant listings; correspondence and memoranda regarding the notification process; procedural files, including applications to the court, internal staff assignments and reports, legal basis files, correspondence with other affected states, ancillary receivers, and state guaranty fund records.

*Records of legal action issued by the liquidator or filed against the liquidator during the course of the liquidation, including: criminal actions; civil actions for a voidable preference; actions against CPA or actuarial firms, lawyers, former officers and directors, agents and reinsurers; and records regarding fraudulent transfers and voidable preferences. Also, formal or informal statements taken during the course of liquidation of company officials, employees, agents, stockholders, or policyholders regarding company business policies and practices.

*Liquidator's reports to the court; audit reports, including audits performed by CPA firms and independent auditors; periodic reports submitted to the court on claims; assets and payments by the liquidator; and audits performed during the course of, or at the completion of, the liquidation regarding administrative expenses and claims incurred against the liquidator, etc.
