00403000. **RELOCATION CASE FILES**

Relocation file. An agency shall maintain a current individual property acquisition and individual relocation case file, Wis. Admin . Code 92.20. An agency review identified the need for this RDA.

An agency undertaking a public project that displaces a person from a residence, business, or farm is required to submit a relocation plan to DOA for approval. Information in a relocation cases files includes, but is not limited to, the value of property being acquired, information about comparable property needed, income, and estimated relocation payments. After review of a relocation plan, DOA issues a written approval letter. This typically occurs within one week. Once the displacing agency completes its project and relocation payments have been made, the agency is required to submit a case report to DOA. A case report is often not received until several months after a plan is approved. A case report will close this file.

If an individual is not satisfied with a relocation-related decision made by a displacing agency, the individual may file a relocation appeal with DOA. DOA reviews and considers all appeals received and issues a written determination if/when appropriate. DOA's written determination will close this file.

00946000.	ALTERNATIVE CARE FACILITY PATIENT AND OPERATIONAL RECORDS	EVT+10	DEST	Y

This records series consists of patient medical records for state-run Alternate Care Facilities (ACF). An ACF is a temporary medical facility where patients are transferred for monitoring and treatment. Patient records may be stored in either paper files or electronic form, including Electronic Health Records. This record series also includes miscellaneous ACF operational records and confidential documents as well as correspondence that are retained along with the patient medical records.

During the COVID-19 pandemic, an ACF was commissioned under the authority of the Wisconsin Department of Health Services. The ACF was located at the Wisconsin State Fair Park and was staffed and administered by the Wisconsin Department of Administration. The ACF policy manual specifies a 10-

year retention period for medical records.

Wis. Stat. § 146.82 states that all patient health care records shall remain confidential. Additionally, some of the records contain other personally identifiable information (PII) which may be confidential.

This records series may be utilized for any temporary ACF facilities that may be commissioned and similarly operated by the Department of Administration.

00386000. GAMING-RELATED CONTRACTORS INFORMATION

Pursuant to Chapter 569 of the Wisconsin Statutes, the Division of Gaming is required to coordinate the regulatory activities of Indian Gaming; function as a liaison between Indians, the public and the state; function as a clearinghouse for information on Indian Gaming and assist the Governor in deciding the types of gaming conducted in Indian lands and in entering into compacts under Wis. Stat. §14.035.

The state/tribal compacts provide that any person who enters or maintains a class III gaming-related contract with a tribe, under which the person will receive more than between \$10,000-\$50,000 must hold a Gaming-issued certificate. Certification duration is 2 years. This retention allows for review of historical documents as part of the recertification process. Reports are historically significant and useful in future investigations.

This series contains the following general information regarding each vendor: correspondence generated from review of the original and renewal applications; memos to Gaming and Dept. of Justice staff; letters to tribes regarding the contractor's eligibility for certification; correspondence to the application regarding Gaming's review of the application. It also contains the following information regarding background investigations : application submitted by the vendor; supporting documents and personal disclosure forms completed by applicant's principals; principal's supporting documents which include description of applicant's business, description of gaming relationships with Wisconsin tribes and other tribes; business structure information, tax forms , criminal history records, audited financial statements and sources of capital; fingerprint cards and photos of principals. Additionally, this series consists of the report of the auditor and/or investigator on the results of the investigation of the application for gaming-related contractor certification.

Section X B of the State/Tribal Gaming Compacts require confidentiality . In addition, some personally identifiable information in the records, such as social security numbers and financial account numbers, may be confidential. See 5 U.S.C. 552a; Wis. Stat. §. 19.36(10)(a) and (13).

The U.S. Department of Housing and Urban Development (HUD), under the McKinney-Vento Homeless Assistance Act, 42 U.S.C. §§ 11371-11378, amended by the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009, Pub. L. No. 111-22, Div. B, Title II, §§ 1201-1205, 123 Stat. 1678, 1678-80 (2009), authorizes funding for the Emergency Solutions Grants (ESG) Program. The Department of Administration's (DOA) ESG program grant funds are awarded to one or more subgrantee agencies to provide homeless prevention and rapid rehousing activities, street outreach activities, essential services, renovation and rehabilitation of shelter facilities, and shelter operating costs. The records retained by DOA pertain to administration of the grant funds, such as awards to the department, applications for funding, contracts, reports, payments, substantive correspondence, and monitoring.

Under Wis. Stat. § 16.35 and federal regulation 24 C.F.R. § 576.500(y)(2)-(3), the ESG program requires DOA and grantees to retain program records for 10 years - which is a longer retention period than ADM00013 (Grant Documentation). Therefore, RDA00214000 cannot be superseded by ADM00013.

These records may contain names of homeless individuals and their families who apply for, and/or receive, ESG assistance. Under 24 C.F.R. § 576.500(x), records pertaining to such individuals must be kept secure and confidential. Under state law, the provisions of Wis. The Division of Facilities Management (DFM) contracts for custodial services in various facilities. With minimal supervision, the custodial crews have access to many state offices, some of which demand heightened security measures. The custodial crews are employees of the contractor so DFM requires the contractor to provide a background check for each employee they desire to place in our building. The employee must be approved by DFM before they can work in one of our buildings.

Background checks are usually sent to DFM electronically but occasionally but we receive a paper copy. Either way DFM files the background check appropriately, confidentially destroying the record six months after termination of employment.

Capitol Police performs police functions to protect the safety and security of state property and employees, pursuant to its statutory responsibility under sections Wis. Stat.§ 16.84 and 16.843. Part of this responsibility includes monitoring state facilities access. This RDA includes, but is not limited to, state facilities access transactions, denial transactions, system administrative actions, and alarm log records.

Many state facilities are accessed by employees with personally issued access cards. This is often required only during periods when the building is not open for normal business. Operational security concerns may also dictate the full time use of card access systems. The division uses the CCure Software system to record all access and denial transactions, as well as system administrative actions.

The CCure system also records various alarms such as fire, water, or forced entry. The CCure records are maintained in a log kept on the dedicated server. Records are not deleted automatically but must be selected and deleted by a Division of Capitol Police Operator. If necessary, records of specific transactions can be extracted for use by Capitol Police investigators, other jurisdictions or state officials. Such records are retained under terms of RDA-Incident Case Files.

Pursuant to Wis. Stat. § 66.0211(5), "CERTIFICATION OF INCORPORATION, if a majority of the votes in an incorporation referendum are cast in favor of a village or city. The clerk of the circuit court shall certify the fact to the Secretary of Administration and supply the Secretary of Administration with a copy of a description of the legal boundaries of the village or city and the associated population and a copy of a plat of the village or city. Within 10 days of receipt of the description and plat, the Secretary of Administration shall forward 2 copies to the Department of Transportation and one copy each to the Department of Administration and the Department of Revenue. The Secretary of Administration shall issue a Certificate of Incorporation and record the certificate pursuant to Wis. Stat. § 66.0215(5), CERTIFICATE OF INCORPORATION. If a majority of the votes are cast in favor of a city the clerk shall certify the fact to the Secretary of Administration, together with the result of the census, if any, and 4 copies of a description of the legal boundaries of the town and 4 copies of a plat of the town. The Secretary of Administration shall then issue a Certificate of Incorporation and record the certificate in a book kept for that purpose. Two copies of the description and plat shall be forwarded by the Secretary of Administration to the Department of Transportation and one copy to the Department of Revenue. Other related statues under this program are: Wis. Stats. §§ 66.0217(9)(a), 66.0217(11), 66.0221(1), and 66.0223(1).

Records will be retained on-site for two years after entry in an electronic system and quality controlled. The electronic version will then become the official record. Any publications or other compiled documents resulting from this will be transferred to the Wisconsin State Government Publications Section of the Wisconsin Historical Society.

00372000. SUBDIVISION PLAT AND CERTIFIED SURVEY MAP FILES

Wis. Stat. ch. 236 (2015-16), requires that when an owner creates more than 4 parcels of land, 1.5 acres or less in area, within a 5 year period those parcels must be created on a subdivision plat. The Department is the clearinghouse for the review of the plats. The Department reviews the plats and certifies that it complies with statutorily mandated minimum layout standards for lots, roads and public access dedications to navigable lakes and streams, as well as is in compliance with surveying, monumenting and technical mapping requirements. Surveyor's and local units of governments send in certified survey maps to review and determine if the maps are in compliance with statutory standards.

The files contain drawings, plats and maps, correspondence about the plat/map with the surveyor, local units of government, property owners and other state agencies along with staffs technical review notes and certification letters.

00373000. **ASSESSOR'S PLAT FILES**

Wis. Stat. § 70.27 (2015-16), provides, in part, that whenever the boundaries of parcels of land cannot be sufficiently determined for assessment or title purposes, the local unit of government can order that this area be surveyed, monumented and platted to clearly establish the boundaries of the parcels. The Department reviews the assessors plat and certifies that it complies with statutorily mandated surveying, monumenting and technical mapping requirements.

The files contain drawings, plats, correspondence about the plat with the surveyor, local units of government, property owners and other state agencies along with staffs technical review notes and certification letters.
