| <u>00003000.</u> | POLICY FILES | <u>5</u> | | <u>EVT</u> | <u>SHSW</u> | <u>N</u> | |
| | Subject matter files maintained by policy staff and others relating to specified policy areas, particular policy initiatives, designated state agencies, and intergovernmental affairs, among others. These files typically contain correspondence, background information, e.g., clippings, reports, publications and memoranda and other reference materials, and press-produced brochures for major policy initiatives, all used in support of activities associated with policy formulation on behalf of the Governor. Policy formulation activities include, but are not limited to, briefings, budget reviews, speechwriting, and liaison with state and federal officials and agencies. | | | | | | |
| | Some materials within these files may be confidential based on attorney-client privilege or work product pursuant to Wis. Stat. § 905.03 and Wis. Newspress, Inc. v. Sch. Dist. of Sheboygan Falls, 199 Wis. 2d 768, 782-83, 546 N.W.2d 143 (1996). | | | | | | |
| | Note: Administrations may maintain central policy files or separate individual files concerning specific functional areas. In either case, retain records until the end of the term of the administration in which the record was created and transfer to the State Historical Society for permanent preservation. | | | | | | |

| 00012000. | CONSTITUEN | NT CORRESPONDENCE | | EVT+1 | SHSW | <u>Y</u> |
| | Correspondence from members of the public to the Governor on matters of public interest, replies, and internal records relating to the handling of such correspondence. Incoming correspondence includes individual letters, post cards, petitions, and mass-produced form letters, as well as email and phone correspondence. In addition, these records include individual replies, form responses sent to petitioners or in response to bulk mail campaigns, tracking information, including referrals within the Governor's Office or to other agencies for direct response, internal communications concerning individual inquiries or subjects of general interest, and lists compiling contact and other information concerning correspondence on particular subjects. | | | | | |
| | Since approximately 2004, incoming constituent correspondence is ordinarily logged and tracked electronically. The official record of physical records will be maintained electronically for the full retention period. To comply with Wis. Stat.§§ 16.61(7) and 137.20 for authenticity, accuracy, and accessibility, the original input documents will be imaged or reformatted and subject to review, to ensure the images are electronically stored and the quality of these images is acceptable. Upon verification of the quality and retention of the electronic images, the physical input record will be destroyed confidentially. | | | | | |

00045000. CASEWORK CORRESPONDENCE

Correspondence from constituents concerning the problems of individual citizens vis a vis the State of Wisconsin, agencies of state government, or other units of federal or local government. Casework files are tracked according to the government agency involved.

Casework files frequently contain a great deal of personally identifiable information, some of which is confidential by statute, such as tax or patient health care records. See, e.g. Wis. Stat. §§ 71.78, 72.06 and 146.82.

Since approximately 2004, incoming constituent correspondence is ordinarily logged and tracked electronically. The official record of physical records will be maintained electronically for the full retention period. To comply with Wis. Stat.§§ 16.61(7) and 137.20 for authenticity, accuracy, and accessibility, the original input documents will be imaged or reformatted and subject to review to ensure the images are electronically stored and the quality of these images is acceptable. Upon verification of the quality and retention of the electronic images, the physical input record will be destroyed confidentially.

RETENTION: EVENT (End of term) + 3 years and destroy confidential
